PRIVATE TELEPHONE EXCANGES (PBX)

April 19, 2000

* * * * *

PRELIMINARY AMENDMENT

Hon. Commissioner of Patents
and Trademarks Office
Washington, D.C. 20231

Sirs:

Prior to the initial examination of this Application, please enter the following
Preliminary Amendments.

IN THE CLAIMS:

[Please cancel claim 1-36, and add the following new claims 37-87.]

--37. A shared voice processing system for use with private telephone switches, the
system comprising a central voice processing unit connected via at least one central
office with a plurality of PBXs.
